

# VERMONT MANUFACTURING SUMMIT SPONSORSHIP OPPORTUNITIES

November 19-20, 2025 | Hotel Champlain

The Vermont Chamber of Commerce is dedicated to advancing the Vermont economy. Trusted by the businesses that make living, working, and thriving in Vermont possible, we prioritize collaboration and uphold the core values that define our state. As the preeminent not-for-profit business organization, we advocate, build community, and provide resources for businesses statewide.

# VERMONT MANUFACTURING SUMMIT

On behalf of the Vermont Chamber of Commerce, I invite you to join us as a sponsor of the 2025 Vermont Manufacturing Summit, our state's premier convening of manufacturers, suppliers, and industry leaders.

Taking place November 19 and 20 at Hotel Champlain, this high-impact event brings together stakeholders from across the region to explore key challenges and opportunities in Vermont's manufacturing sector. Through expert panels, B2B matchmaking, and solution-oriented dialogue, the Summit is designed to foster innovation, strengthen supply chains, and grow our manufacturing economy.

Your support helps make this event possible and positions your organization as a valued partner in Vermont's economic future. As a sponsor, you will receive meaningful visibility among decision-makers, priority access to B2B networking opportunities, and recognition across digital and print promotions. We have outlined tiered sponsorship levels that offer a range of engagement options tailored to your brand and business development goals.

The Vermont Chamber is proud to advocate for and elevate Vermont's manufacturing sector, a vital engine of job creation, export strength, and community resilience. We would be honored to count you among our partners in this work.

Please do not hesitate to reach out with any questions. We look forward to collaborating with you and welcoming your team to the Summit.

Best,

A stylized, handwritten signature in black ink, appearing to read 'Amy Spear'.

Amy Spear  
President | Vermont Chamber of Commerce

An aerial photograph of a Vermont town at dusk. The sky is a deep blue with soft purple and pink hues from the setting or rising sun. The town below is illuminated by streetlights and building lights, showing a mix of historic architecture including a prominent church with a tall, pointed steeple. The foreground is dominated by a large, dark green tree. The overall atmosphere is serene and picturesque.

# PARTNER WITH PURPOSE

Sponsoring the 2025 Vermont Manufacturing Summit connects your brand with the manufacturers driving Vermont's economy forward. It offers a direct line to decision makers and influential leaders across the supply chain, creating valuable opportunities to expand your network and build lasting relationships. By participating, your company is positioned as a leader in innovation, workforce development, and industry solutions while also demonstrating a strong commitment to strengthening Vermont's economic future.

# ABOUT THE MANUFACTURING SUMMIT

The Vermont Manufacturing Summit is the state's premier gathering for manufacturers, suppliers, and industry partners. Hosted by the Vermont Chamber of Commerce, this two-day event convenes business leaders, buyers, policymakers, and economic development professionals for expert-led programming and curated B2B networking. With a focus on growth, resilience, and innovation, the Summit offers actionable insights and facilitates critical connections that strengthen Vermont's manufacturing economy.

## PROGRAM SUMMARY

The 2025 Vermont Manufacturing Summit will feature a dynamic mix of keynote presentations, expert panels, and B2B matchmaking opportunities. Topics will address workforce development, federal and state policy updates, supply chain innovation, energy and infrastructure, and emerging technologies in manufacturing. The Summit also includes a structured B2B networking experience designed to match manufacturers with suppliers and service providers, maximizing both visibility and collaboration. With hundreds of participants from across Vermont and the Northeast, the event is a catalyst for economic growth and sector-wide alignment. Event goals include:

**ELEVATE** the manufacturing sector as a vital force in Vermont's economic future

**FACILITATE** meaningful connections between manufacturers, suppliers, buyers, and public sector leaders

**PROVIDE** timely education on policy, workforce, and supply chain trends that impact operations

**SHOWCASE** Vermont as a hub for high-quality manufacturing, innovation, and investment

**SUPPORT** business growth and resilience through access to resources, visibility, and partnerships
